Dear researcher,

The Research Ethics Committee has reviewed the above application and has voted in favor of approving it from an ethical perspective.

Kindly note that this approval is based on the conditions that;

1. the research is executed according to the research protocol described in the application form, and/or its subsequent modifications, if those modifications were requested by the Research Ethics Committee.
2. the information sheet and/or informed consent are those approved by the Research Ethics Committee.
3. the research tools are those approved by the Research Ethics Committee.

Please note that it is your responsibility, as the principal investigator, to immediately inform the Committee

of any changes in the research protocol and/or the research methodologies, should the need for those changes arise prior or during the conduct of this research study.

On behalf of the Research Ethics Committee, I wish you and your team success in your research project.

Sincerely,

Dr Suhail Al-Amad
